

Imaging

- Large-format imaging
- Out-of-home
- Soft signage
- Fabric walls
- Wallcovering
- Variable data printing
- Privacy glass
- Fleet & vehicle wraps
- UV printing up to 16' wide (5-meter)
- Dye sublimation printing up to 16' wide (5-meter)
- Latex printing up to 60" wide
- Interior & exterior viewing systems 65' wide
- 1 EFI/Vutek HS100 Pro 6 color + white ink & true grayscale UV LED flatbed printer, 1000 dpi, 126" width
- 2 EFI/Vutek HS125 Pro 6 color + white ink & true grayscale UV LED flatbed printer, 1000 dpi, 126" width
- 1 EFI/Vutek GS3250LX Pros LED flatbed printer, 8 color + white ink & true grayscale, 1000 dpi
- 1 EFI/Vutek 5000r printer, 8 color + white ink, 1000 dpi, 196" width
- 1 Epson Stylus Pro 11880 printer, 64" width
- 1 Epson Stylus Pro 9900 printer, 44" width
- 1 Epson SureColor S70670 printer 64" width
- 2 Epson SureColor S60600 printer 64" width
- 2 Graphtec 64" x length precision vinyl plotter
- 2 Mimaki JV5-320DS 3-meter dye sublimation printer
- 1 Fabrivu 340 3.4-meter dye sublimation printer
- 1 Fabrivu 520 5.2-meter dye sublimation printer
- 1 Klieverik GTC 101/3500 – grand format 3.2-meter heat press
- 1 Klieverik GTC 81/3400 – grand format 3.2-meter heat press
- 1 Monti Antonio 91-5200 – grand format 5.2-meter heat press
- 1 Ricoh Pro C901, 1200 x 4800 dpi, 4/4 color @ 12.75" x 18.75" variable data printer
- 5000k Color-controlled viewing room

Production and Fabrication

- Multiple Mac work stations
- RAID mass storage with backup
- I1/IO spectrophotometer
- Barbieri Spectro LFP and SpectroPad
- Multiple ICC profiling capabilities
- Epson G7 contract proofing
- Fully equipped metal and wood fabrication shop
- Custom fabrication
- Exhibit fabrication
- Metal fabrication
- Plastics fabrication
- CNC routing & cutting
- 3D letters & logos
- Fabric & vinyl finishing (sewing, welding)
- Hot & cold lamination up to 80" wide
- Prototyping & display production
- MultiCam 3000 CNC router, 60" x 144" routing & cutting bed
- Konsberg I-XL 44 CNC router/cutter, 87" x 120" automated routing, cutting & material feeder
- ZUND G3 3XL1600 126" x 63" CNC with rigid & fabric cutting capability
- ZUND G3 3200 126" x 125" CNC with rigid & fabric cutting capability
- AGL & SEAL hot & cold laminators 64" & 80"
- Fiab automatic traveling head RF vinyl seamer
- Miller Weldmaster T300 Extreme vinyl welder
- 7 Sewing stations
- 2 Cronos automated sewing tables
- 3 Leister CH-6060 floor heat welders
- 3 High-speed automated grommet machines
- Harris-Seybold 84" x 86" guillotine cutter
- Packsize EM6-50 corrugated box maker
- Enimac X-Treme PRO tape machine
- SEG Systems fitting wall (62' x 24')
- 2 15.5-Meter banner hoists

Services

- Project management
- Event management
- Event production
- Fulfillment
- Distribution
- Digital storefront solutions
- Materials specification
- Plan & drawing review for value engineering
- Customized software solutions for retail, project & event management
- G7 Master Certified color management & profiling
- BeMatrix rentals
- SEG rentals
- Display rentals
- UL-certified light boxes
- SEG Systems frames
- Fabric tension structures
